

Structural Contractors

The following list of structure/concrete contractors compiled by the Fairfield Soil and Water Conservation District is provided as a means for individuals to be aware of people available in the area who will do agricultural structural work.

The Fairfield Soil and Water Conservation District makes no claims as to the ability, knowledge, and experience of the individual contractors, nor does it take any responsibility for the correctness or selection of those names and information appearing on the list of contractors. Other interested contractors may be added to the list by contacting the Fairfield SWCD office at (740) 653-8154.

Individuals selecting contractors from this list should exercise appropriate caution in making their selection. Ask for references and to see projects they have constructed similar to yours.
