November 5, 2013 Meeting Notes

November 5, 2013 2PM

At the Fairfield County Utilities Office - 6670 Lockville Road, Carroll, Ohio.

Present:

Holly Mattei (Fairfield County Regional Planning), Jonathan Ferbrache (Fairfield Soil and Water Conservation District), Chad Lucht (Fairfield Soil and Water Conservation District), Scott Tourville (City of Pickerington), Edward Drobina (City of Pickerington), Don Sherman (Fairfield County Utilities), Billy Phillips (Liberty Township), Tony Vogel (Fairfield County Utilities), Denise Crews (City of Lancaster), Steven Wellstead (City of Lancaster) and Jeremiah Upp (Fairfield County Engineer)

Jonathan Ferbrache was elected Chair and Edward Drobina as Vice Chair.

There were no public comments.

There was general discussion about current MS4 permit areas that may be lacking throughout the County. Concern was voiced over adequate funding to meet this unfunded mandate. There was discussion about future permit changes and areas where all MS4 communities could cooperate in the future.

The next meeting will be held at the Fairfield County Utilities on January 15, 2014 at 2PM. The group decided that each community should be a copy of its current permit to the next meeting to further discuss.

Adjournment at 3PM.

**Fairfield County Regional Planning Commission – Storm Water Advisory and Educational
Sub-Committee**

Purpose: The purpose of the RPC Storm Water Advisory and Educational Sub-Committee is to provide a forum for public participation in the development and implementation of a stormwater program to compliment any existing public input processes currently established for those communities within Fairfield County that the Environmental Protection Agency has identified as a Municipal Separate Storm Sewer System (MS4) community. The Committee will also provide an educational and networking opportunity for each MS4 to share ideas and create a conversation about best practices. This advisory and educational board will be focused towards the MS4 communities in Fairfield County. However, any unit of government participating in the RPC may request representation on this committee.

Proposed Members*:

Violet Township (2 members) – Bill Yaple, Greg Butcher
Liberty Township (1 member) – Billy Phillips
City of Pickerington (2 members) – Ed Drobin, Scott Tourville
City of Lancaster (2 members) – Denise Crews and other member TBD
Soil and Water Conservation District (1 member) – Jonathan Ferbrache
Utilities Department (1 member) – Tony Vogel/Don Sherman
County Engineer's office (1 member) – Jeremiah Upp

Duties and Responsibilities:

This Committee will be responsible for conducting at a minimum, an annual public meeting to obtain citizen feedback on the proposed MS4 programs within the county. This Committee will make a recommendation regarding any program changes to the RPC. Upon confirmation by the RPC, the recommendation will be forwarded to the applicable MS4 community to determine if any of the six minimum control mechanisms should be revised for the applicable community. Any action taken by the RPC's sub-committee would be advisory to the MS4 community. The MS4 community may review the RPC's sub-committee's recommendation and may elect or decline to include the recommendation into its existing MS4 program.

*The members listed above are the current appointments for each community/agency. However, each community may change its appointed members at any time by written notification to the RPC.
