

Timber Stand Improvement & Brush Vendor List

The following list of experienced Timber Stand Improvement (T.S.I.) vendors compiled by the Fairfield Soil and Water Conservation District (SWCD) is provided as a means for individuals to be aware of the many people available in the area who are capable of doing a wide variety of timber improvement projects.

The Fairfield SWCD makes no claims as to the ability, knowledge, and experience of the individual vendor, nor does it take any responsibility for the correctness or selection of those names and information appearing on this list. Other interested vendors may be added to the list by contacting the Fairfield SWCD office at (740) 653-8154.

Individuals selecting vendors from this list should exercise appropriate caution in making their selection. Ask for references and to see projects they have completed similar to yours.
