The purchase of a fire-proof filing cabinet was discussed. Jonathan currently has one that was donated, but it is full. He keeps all the easement information for the Farmland Preservation program and has to access the records frequently, so he doesn't want to store off-site. Office Mart quoted one that is fire rated for one hour and protects from fire and water at a cost of \$2,869 (\$300 cheaper than Staples).

Approve a fire-proof filing cabinet as quoted by Office Mart not to exceed a cost of \$3,300.

Motion: Doug Second: Amber All in favor: Yes

There was discussion on asking the prosecuting attorney to come to the office to discuss the intervention process with the Power Siting Board on the issue of Solar Farms.
